Website: www.stnaulsns.com

Roll No: 15770K

25th February 2021

The Board of Management is requesting that parents/guardians declare, in writing, before their children return to school, that their child/children:

- Is/are not suffering from any of the known symptoms of Covid-19:
 - High Temperature
 - Cough
 - Shortness of breath or breathing difficulties
 - Loss of sense of smell and distortion of taste
- Is/are not awaiting a Covid-19 test.
- That no one in their household is awaiting a Covid-19 test or is displaying symptoms of the virus.
- That no one in their house has been diagnosed with Covid-19.
- That they are not a contact for any Covid-19 suspect or diagnosed case.
- If they have travelled outside of Ireland parents are advised to consult with the latest Government advice in relation to foreign travel.

Should you be unable to confirm in writing all of the above, your child/children should not return to school until medically certified to do so or have quarantined for 14 days.

The school must receive this Declaration before school reopens or at the latest on the morning that we re-open.

If a child/children turn up without this declaration, unfortunately we have no option but to refuse entry to the school until a declaration is completed. The Board of Management is taking these steps in order to safeguard all pupils and staff in the school and to minimise the risk of Covid-19 entering St. Naul's N.S.

We are hoping for the co-operation of all parents in this matter.

Le meas,

Rory O'Donnell
On behalf of the Board of Management.

Parent/Guardian Declaration

I declare that my child/children are in compliance with the above DES, HSE and Schools Guidelines.

Child's Name: _____

Class Teacher: _____

Parent Signature: _____

Date: _____
