

LAST PERSON STANDING – next 5 weeks

With a large number of competitors still in the competition, we have decided to run another five weeks of fixtures.

Commencing Weekend of 14/15/16th January 2022

- RULES:
1. Select a team from each game week that you think will win their match. If your team wins in game week 11 you move on to game week 12 and so on. If your team draws or loses you are eliminated.
 2. You cannot pick any team previously selected in the competition (please check website for previous entries if you are unsure) and cannot pick the same team more than once going forward.
 3. If your teams game is postponed you are automatically put through to the next round. If you forget to pick a team you will be assigned one. The selection will be the first available team in alphabetical order.
 4. After game week 15 and subsequent game weeks, all remaining participants will be contacted for their selections. These selections must be received 24 hours before the next game week fixtures commence. It is the participant's responsibility to ensure their entry is submitted on time.
 5. Last person standing continues until only one person remains and wins the pot. If all remaining players lose in the last round, they all go through to the next round.
