€10 entry – Last Person Standing Prize €500

Commencing 23rd February 2024

RULES:

1. Select a team from each game week that you think will win their match. If your team wins in game week 1 you move on to game week 2 and so on. If your team draws or loses you are eliminated.
2. **You cannot pick the same team more than once in the ten weeks.**
3. If your teams game is postponed you are automatically put through to the next round. If you forget to pick a team you will be assigned one. The selection will be the first available team in alphabetical order.
4. After game week 10 and subsequent game weeks, all remaining participants will be contacted for their selections from their remaining unselected teams. These selections must be received 24 hours before the next game week fixtures commence. It is the participant's responsibility to ensure their entry is submitted on time.
5. Last person standing continues until only one person remains and wins the pot. If all remaining players lose in the last round, they all go through to the next round.
6. If the competition continues until the last day of the season, the prize will be split equally between any remaining entrants.
