## PARENTS/GUARDIANS PERMISSION FORM

In order to cut down on unnecessary paperwork and simplify record keeping, we have decided to include as many permissions as possible on one sheet. Please read each of the items carefully and tick the relevant box. Not all of these permissions will be relevant this year, but they will possibly be relevant at some stage during your child's time at Scoil Naomh Náille.

If you have any concerns or questions regarding any of the permissions sought, please do not hesitate to contact your child's class Teacher or the Principal.

<b>I hereby give permission for my child in relation to the following:</b>	<b>Yes</b>	<b>No</b>
During the course of each school year, all classes will normally undertake a variety of different activities outside the school premises, e.g. visit the church; football matches; athletics, trips to the Astro turf at Eany Celtic, school tours, history/educational tours, quizzes and any other activities that arise. When we take the children on these outings, we increase the level of supervision to meet the needs of the particular activity. We are seeking your consent for all these different activities which arise during your child's time here:		
On occasions such as 1 <sup>st</sup> Holy Communion, Confirmation and other school events, local press photographers take group photos of children and in some instances identify the children by name. Do you agree to the school using your child's image in this way?		
From time to time we publish photos of students in local newspapers; engaged in school related activities. This is usually done to publicise various school activities (first day of school, fundraising, sports days, Christmas performances, achievements, etc.). The children will not be individually identified. We are seeking your permission to publish photos of your child:		
With regard to publishing photographs, every effort will be made to facilitate your request when the children are involved in group activities/events. We are seeking permission for your child's name and photograph to be used in relation to publicising school events and activities in our newsletter, website and similar publications. We are also seeking permission for your child's work, achievements and photo to be uploaded onto our school website. At no stage will your child be identified on the school website by their full name. Usually, children will only be pictured at a distance and in groups. Any images of your child will be removed from the website when they no longer attend Scoil Naomh Náille, upon written request being made to the Board of Management.		
Do you give permission for your child's photo, name and work to be displayed on the Classroom wall and the school corridors/school hall?		
The school teaches 'Stay Safe' lessons on personal safety & protection and RSE (relationships & sexual education) lessons on developing and changing. Both are recommended and vetted by the Department of Education. Lessons are developed using suitable content and appropriate language for each class. Can your child participate in these lessons?		
Do you give permission for your child to be taken immediately to a doctor or hospital in case of serious illness/accident? (In a non-emergency it is the school's policy is to inform parents/guardians if their child has had an accident in school which may require them to collect their child and take him/her home or to hospital or doctor). In an emergency it may be necessary to take the child to hospital/doctor and inform parents/guardians afterwards.		
Do you give permission for your child to make his/her First Holy Communion (2 <sup>nd</sup> class)		
Do you give permission for your child to make his/her Confirmation (6 <sup>th</sup> class)		
On occasion we administer various diagnostic/educational tests to discover the educational progress of pupils. Do you agree to this?		
Do you give permission for your child to attend classes with our Special Education Teachers if deemed necessary?		
Do you give permission for your child's name, address, date of birth, your name(s), email address and telephone number to be given to the H.S.E. for dental/vision screening and immunisation programmes, to our local parish church for sacramental preparation, to sporting bodies for participation in various sporting events, for quiz teams, art competitions, etc. and to secondary schools when children are transferred to second level?		
Computers and internet access in all classrooms give the pupils a very powerful tool for learning. The school has a very comprehensive Acceptable Usage Policy for the use of these tools, and we are asking you to grant consent for your child to use the computers in the school in accordance with those guidelines. We are seeking your consent for your child to access the internet in line with our policies:		
Both Religion and Nationality (ethnic and cultural background) are considered sensitive personal data under the Data Protection Legislation. Therefore we ask your consent for this information to be transferred to the Department of Education and Skills through the Pupil Online Database (POD).		
Do you give permission to the school Principal/Class Teacher to discuss the needs of your child/children with the playgroup leader if transferring from playschool or the School Principal if transferring from/to another school?
